

## Give your Input - the Landing Design Competition

**PLANS WILL BE REVEALED IN LATE JUNE – PUBLIC MEETING AT DIA**

Three firms have been selected to compete to design the riverfront public space at the former Jacksonville Landing, now called Riverfront Plaza. Each firm is responsible for getting its own input from the community. Here are two opportunities, please participate!

Riverfront Parks Now will keep you up to date so please [Sign up for our newsletter](#) and follow us on social media. The [Downtown Investment Authority](#) is leading this competition. Up to date DIA Meeting Information and more information is available at [dia.coj.net](http://dia.coj.net).

**Jacksonville, you blew up our phone. NOW WHAT?**

*In the first month of this three-month long competition to design a new future for the former Jacksonville site, we have already heard so many Jacksonville voices!*

*Our phone hotline (904-539-3826) received hundreds of ideas via voicemail and texts. Our team gathered many comments at JAX River Jams. We've had over 50 one-on-one interviews with community leaders, park and river advocates, downtown residents, journalists, historians, and the like!*

*Now, we're thrilled to show you a bit of what we've learned on our new website!*

\*This communication is from [Agency Landscape + Planning](#), one of three design teams working for the City and looking at the possibilities for the former Landing site.
